SUMMARY

I have 6 months of experience working with PHP, WordPress, and Laravel. Programming is my passion, and I dedicate around 8 hours every day to honing my skills in WordPress and Laravel. I am eager to work in a dynamic and challenging environment where I can leverage my abilities to achieve both my professional aspirations and the goals of the organization.

OBJECTIVE

I am looking forward to the chance to work in a dynamic, challenging atmosphere where I can use my skills to advance both my professional and organizational goals.

EXPERIENCE

INFOBECKONS   January 01, 2024 - June 30, 2024
Web Developer Intern   Chandigarh (On-Site)
🔗 https://www.infobeckons.com/

Responsibilities:

- Developed and maintained web applications using PHP and Laravel.
- Implemented front-end features using HTML, CSS, Bootstrap, and JavaScript.
- Participated in code reviews and contributed to the overall code quality.
- Worked with GitHub for version control and code collaboration.

BHARAT INTERN   November 10, 2023 - December 10, 2023
